

# Literary Terms Part I

K. Duncan  
English II  
Cary High School

# Fiction- literary terms

- Before we begin reading, we will work collaboratively to define and share important literary elements that we will study.
- You will work with a partner. If there is an odd number present in class, then I will assign the extra person.
- This assignment has two parts.

Part 1

# The definition & illustration

1. After you draw a card, go to the literature textbook and look up your term. This will ensure you have the correct definition for class.
2. Using the white paper I have provided, write your term and definition legibly and darkly (These will be posted in class.)
3. Make sure that you either provide an example or list the different types. Your card will tell you which you need to include. This is due by the end of class.
4. \*You can earn a bonus point towards the class illustration if you can provide a visual that will help others to remember your term.

Part 2

# The class document

# You will need to be able to log into your Wake County student account!

- One of you will need to be able to log into your Wake County student account using a device so that you can work on the class Google Doc. (this will be your email and password).
- I have sent a link to every student's WCPSS email. You can click on that to get started.
- If you are having difficulty, please see me. I have a list of everyone's email addresses. It will not work unless you use your student email.
- This portion of the assignment must be completed by Friday. I will do some final edits and print it out for the entire class to keep.
