

Instructions:

1. Write your first and last name across the center. Use the name you prefer to be called. Make sure it is dark, bold, and easy to read. Use block letters if you wish.
2. In the upper left-hand corner, represent with words, images, or sketches / symbols the topics and subjects you are most interested in. Use things at or outside of school (class, hobby, sport, music, etc...)
3. In the upper right-hand side, represent your favorite book, movie, song, or game. Represent as many as you want. Bonus if you can include a quotation.
4. In the bottom right-hand corner, represent a career or job you might be interested in studying in the future. Alternatively, you could represent a college you would like to attend.
5. In the bottom right-hand corner, represent your favorite ways to learn.
