

DUNCAN'S DAILY DRILL

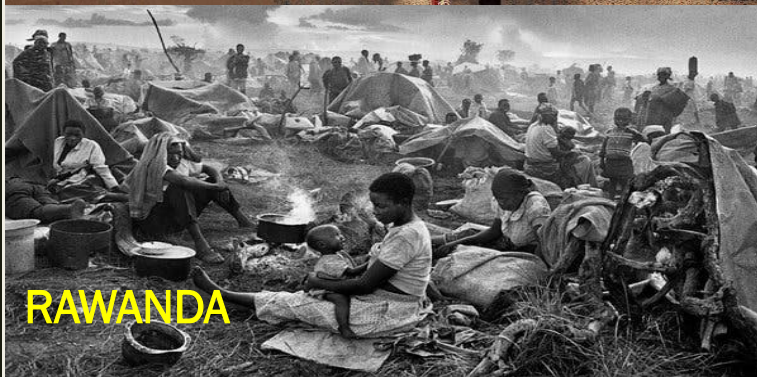

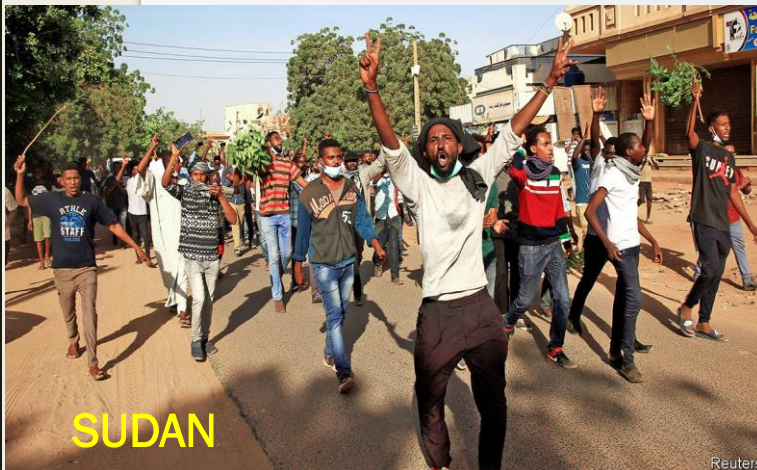

Week 9

DDD #34- We need to remember..

“My generation believed that after the Holocaust, we would never see genocide again. We were wrong,” said Mr. Guterres.

DDD #35- What makes a good presentation?

1. As you watch the first part of the video, list the things that the speaker does wrong. Comment on how effective you feel his presentation is, and write a couple of ideas on how he could make it better.
2. As you watch the second presentation, note what the speaker does differently. Explain whether you think this presentation is more or less effective than the first and why.
