

Name: \_\_\_\_\_

Explain what identity is in your own words:

Describe your identity (how do you see yourself?):

### #1: TED Talk

How does the theme of identity apply to this talk?

What are some things that impacted the speaker's identity?

One thing I can relate to is:

One thing I don't understand is:

One thing I would like to ask or say to the speaker is:

Has your definition of identity changed in any way?

## #2: Short Film

How is the theme of identity relevant in this film?

What are some things that impacted the woman's identity?

One thing I can relate to is:

One thing I don't understand is:

One thing I would say to the woman is:

Has your definition of identity changed in any way?

## #3: Short Film

How is the theme of identity relevant in this film?

Describe how the mask is related to the theme of identity?

One thing I can relate to is:

One thing I don't understand is:

One thing I would say to the girl is:

Has your definition of identity changed in any way?

#4: Song

How is the theme of identity relevant in this song?

Describe how the mask is related to the theme of identity?

One thing I can relate or connect to is:

Has your definition of identity changed in any way?

#5: Poem

How is the theme of identity relevant in this poem?

Describe how the mask is related to the theme of identity?

One thing I can relate or connect to is:

Write a new definition of identity and describe what masks you wear.
